LoudMouth Golf Pants Worn By John Daly at the PGA Golf Catalunya

Orlando, FL—(April 29, 2009)—LoudMouth Golf CEO Larry Jackson confirmed today that yes—those are LoudMouth Golf pants (www.loudmouthgolf.com) that John Daly wore on Wednesday in the Pro-Am segment of the Open de Espana at the PGA Golf Catalunya in Girona, Spain

Daly's sartorial photo at the Open made the rounds of internet golf blogs, causing a firestorm of comments over his LoudMouth Raspberry SureBet golf pants. The unashamedly un-subdued pants are orange and raspberry, in a conspicuous argyle pattern.

"We're not your ordinary golf pants," said Jackson. "But then, who wants to be ordinary, certainly not LoudMouth."

LoudMouth Golf pants can be purchased on John Daly's website, www.johndaly.com. For more information on LoudMouth Golf, visit www.loudmouthgolf.com.
